Honorable Richard M. Helms
Director
Central Intelligence Agency
Washington, D. C. 20505

Dear Mr. Helms:

The 25th Annual Federal Safety Conference will be held in Chicago, October 26-28, 1970. Its purpose is to bring together those responsible for safety in Federal agencies located throughout the United States to discuss and plan programs to reduce Federal employee injuries.

As you know, the Mission SAFETY-70 program will end December 31, 1970. A new program will be discussed at the meeting. It is hoped that an effective transition from SAFETY-70 to our new program can be accomplished without any slackening of effort.

We would appreciate your support and cooperation in authorizing the attendance of representatives of your headquarters and field offices.

Your agency's representative to the Federal Safety Council, will receive further details concerning the conference.

Sincerely,

Secretary of Labor
